

Welcome to „Paulaner“ Echterdingen!

Our young Bavarian restaurant is a meeting place for young and old people. Our cuisine is based on typical, traditional grandma recipes, which are prepared in an interesting modern way.

The “Paulaner” is how you imagine temporary pub-culture.

Uncomplicated – Familiar – Sociable

That’s why we revive the old custom of eating together in an comfortable atmosphere.

Some dishes, for example “Brotzeitbrett!” or other roast dishes, are served on big wooden plates or in iron pans (and placed in the middle of the table).

It’s possible that some classical dishes sell out during the evening. The reason is, that we prepare them every day fresh, as is typical for a proper Bavarian restaurant/pub. In this case, we beg your pardon! But we are sure that our waiters will offer you a good alternative...

Please enjoy the time you will spend here in the “Paulaner!”

Prices are in Euro including VAT.
